

DNA Testing and Genealogy

Saturday October 6, 2018
Middlebury Community Public Library
101 E. Winslow St.
Middlebury, IN 46540

Ann Raymont, from the Central Indiana DNA Interest Group (CIDIG), presents a workshop providing an overview of recent developments with commercial DNA testing and explains how using it can strengthen your existing genealogy research. This workshop is organized by the Middlebury Community Public Library with assistance from the Elkhart County Genealogical Society.

9:30 a.m. Registration
10:00 a.m. Session 1: Adding DNA To Your Genealogy Toolkit
11:00-11:15 a.m. Break with light refreshments
11:15 a.m. - 12:30 p.m. Session 2: My AncestryDNA Results Are In, Now What?

Cost: \$20 by October 1, \$25 at the door
Checks payable to the **Friends of the Middlebury Library**.
